# Collects

**Collect:** O God, the strength of all those who put their trust in you, mercifully accept our prayers and, because through the weakness of our mortal nature we can do no good thing without you, grant us the help of your grace, that in the keeping of your commandments we may please you both in will and deed; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

**Post Communion:** Eternal Father, we thank you for nourishing us with these heavenly gifts: may our communion strengthen us in faith, build us up in hope, and make us grow in love; for the sake of Jesus Christ our Lord.

**Additional Collect:** God of truth, help us to keep your law of love and to walk in ways of wisdom, that we may find true life in Jesus Christ your Son.

## News and forthcoming events

### Alpha

We have just started another Alpha course in the benefice. This is a really good way to explore the basics of Christian faith, chatting with other people about some of the big questions of life. It's not too late to join, it runs at 7.30pm in St Peter's Church, Glenfield. All are welcome.

### Concert: The Juliet Consort

The Juliet Consort are a local vocal quintet who sing Renaissance masterpieces and who performed at St Mary de Castro over the Jubilee weekend. They will be giving a concert on Saturday 20 August at 7.30pm in All Saints'. Tickets available soon either online or from Ann Scrine.

### Archdeacon's Visitation Services

Please pray for all churchwardens, including our own Michele Petty, as they are admitted to office by the Archdeacons at the moment.

### Leicestershire and Derbyshire Yeomanry Guidon

Following the service to 'lay up' the Guidon last month, the bracket is being constructed and arrangements made for it to be installed on the west wall of the north transept, to hang in perpetuity.

## **Giving**

If you would like to give to support All Saints', please use our online donation page, <https://bit.ly/asnl-donate>. A basket and the contactless giving system are available at the back of church. If you would like to give regularly, please speak to Michael Upstone or Phil Baker about the Parish Giving Scheme.

## **Jolly Tots**

We're hoping to restart this group in the autumn. We still need several volunteers willing to help set up, serve refreshments, potentially read a story or lead some songs, and then clear away and clean up. Do contact Richard or Ann Scrine if you would be interested or know someone who might.

## **Church open daily**

The church building continues to be open daily for prayer and for visitors, usually from around 9am to 5pm. We're very grateful to the team of volunteers, coordinated by Michael Upstone, who enable this to happen.

## **Collection for Ukraine**

During July we will be collecting items in church both for refugees from Ukraine in Leicester and for transport to Ukraine for those in need there. A full list of needed items will be in the next edition of the magazine. These will be taken at the end of the month to the Ukrainian Club in Leicester who will distribute them.

Among the needs are:

Food: Tinned meat and fish, tinned soups, cup-a-soups, pasta, rice.

Medical: ordinary First Aid kits, painkillers, cold/flu treatment, multivitamins, antiseptic gels, creams and wipes.

Toiletries: toothbrushes, toothpaste, soap, shower gel, shampoo or conditioners, body lotion, wet wipes for both adults and children.

For children: clothing for teenagers, all sizes, both genders, children's underwear, all sizes – new and packed only, drawing pads and crayons/felt-tip pens.

## **Shaped by God Together: Journey to Minster Communities**

Please pray for the pilot Minster Communities in the diocese. Pray that the different worshipping communities that make up the Minster Community would learn to work well with one another and to support each other as they discover how to best serve God and be Shaped By God Together. Ask God to help them to be effective as they look to grow in depth of discipleship, grow the number of disciples as they engage in mission, and to love and serve those around them as they put their faith into action. To prepare for the changes which will eventually affect every parish, we can:

- Pray for the renewal of God's church – continue to pray that God would lead us in all our conversations together, but also pray for our neighbouring churches as we encourage people to think about the needs of others.
- Partner with neighbouring churches – pray for informal conversations with neighbouring parishes, however different they might be to us. Partnership starts in prayer and grows through practical acts of support and generosity.
- Promote vocations – we are going to need lots more non-stipendiary priests as well as lay ministers in the future. Please pray and consider – is there someone you know who you think should explore this?
- Prioritise school links – at the heart of plans for Minster Communities is a radical shift towards working with children and young people. We can help begin this by praying and prioritising work with our local schools.

## **Covid measures**

**Ventilation:** we continue to have windows and a door open whenever we meet.

**Masks:** some are available in the porch. While these are optional at all points, we encourage everyone to consider others as well as their own preferences.

**Space:** the south side of the aisle is for those who prefer to have their own space.

**Hygiene:** sanitizer is provided in key locations – at the entrance, where books can be collected and where communion is distributed.

Communion is distributed with the bread dipped in the wine.

You should not attend services if you have COVID-19 symptoms or have tested positive.
